Norm/Policy Regarding Credentials of the Chairperson of Thesis Advisory Committee
(Doctoral Committee)
Dated: September 13, 2012

Effective immediately, the Chairperson of a Thesis Advisory Committee (Doctoral Committee) at NMIMS shall fulfill the conditions:

1. The individual must hold doctoral degree in the area of specialization.

2. While the individual can be of any rank – Assistant or Associate or Full professor, he/she must be research active as demonstrated by publication of a case and/or a peer-reviewed journal article and/or a book or a research project or a white paper and/or securing a patent.

3. The individual must be a full-time faculty member at NMIMS University (Full-time nomenclature includes faculty members who are on contracts and/or superannuated but active).

Dr. Gurumurthy Kalyanaram
Office of Dean, Research
NMIMS University
