Activity Report 1

Name of Activity: Poster Presentation

Name of school: Shobhaben Pratapbhai Patel School of Pharmacy & Technology Management (SPPSPTM), NMIMS

Date: 7th September, 2022

Venue: NMIMS, Mumbai

Enclosed Document:

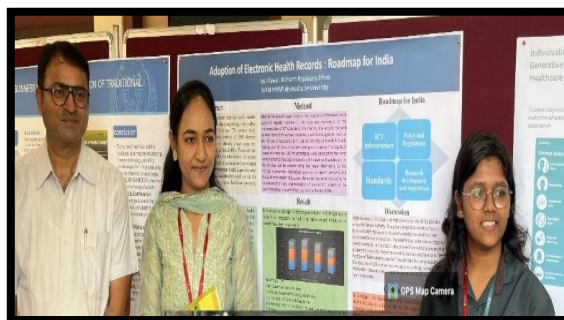

1. Poster of the event
2. Report of the event
3. Photographs

Objectives of the event

- To encourage students to communicate their research and projects effectively.
- To provide an opportunity for interdisciplinary learning and collaboration.
- To enhance students' presentation and public speaking skills.

SPPSPTM organized a poster presentation event to showcase the research projects and creative works of students from various departments on 7th September 2022. The event was held in the college auditorium, which was arranged to accommodate poster displays and facilitate easy movement and interaction. Each participant was allotted a designated space to set up their poster. Participants presented their posters in a designated session, which was divided into time slots to ensure that each presenter had an opportunity to engage with the audience. The event was attended by students, faculty, and external reviewers. Attendees were encouraged to ask questions and provide feedback.

Greetings from Team Summit, the Technology Cell of NMIMS Mumbai!

"Ideas without execution are hallucinations"
- Thomas Edison

So, to bring those ideas to fruition,

Summit brings to you its flagship national-level case competition "Ace the Case", a platform to showcase your ideas and solve real-life business case problems.

Continuing the legacy of the Techlords, we amalgamate a tinge of tech with a case study, to showcase your divine powers in the warfare of business. Rejuvenate your acumen and stimulate your passion as we officially kickstart the event on 7th October 2022.

Prizes worth 72K + kind up for grabs!!

Registration link: [D2C Registration link](#)

Brace yourselves, and Ace it as we bring to you a one-of-a-kind Business Case Study competition meticulously designed with a unique and cutting edge real-world use case.

Hurry up! Deadline: 7th October 2022 6 PM is fast approaching!

Event Format:

Round 1: Online quiz will be held on 7th October 2022, 9 PM.
Round 2: A case study will be provided, the solution of which needs to be submitted by EOD, 13th October 2022.
Round 3: Grand Finale would be a virtual presentation round for The Finalists on 15th October 2022.

Ace the Case is a National level Case competition conducted by SummIT under Paragana. It is a national level B-school competition where the top B-schools from the country battle it out to solve and present a solution for a case that is an actual industry relevant problem.

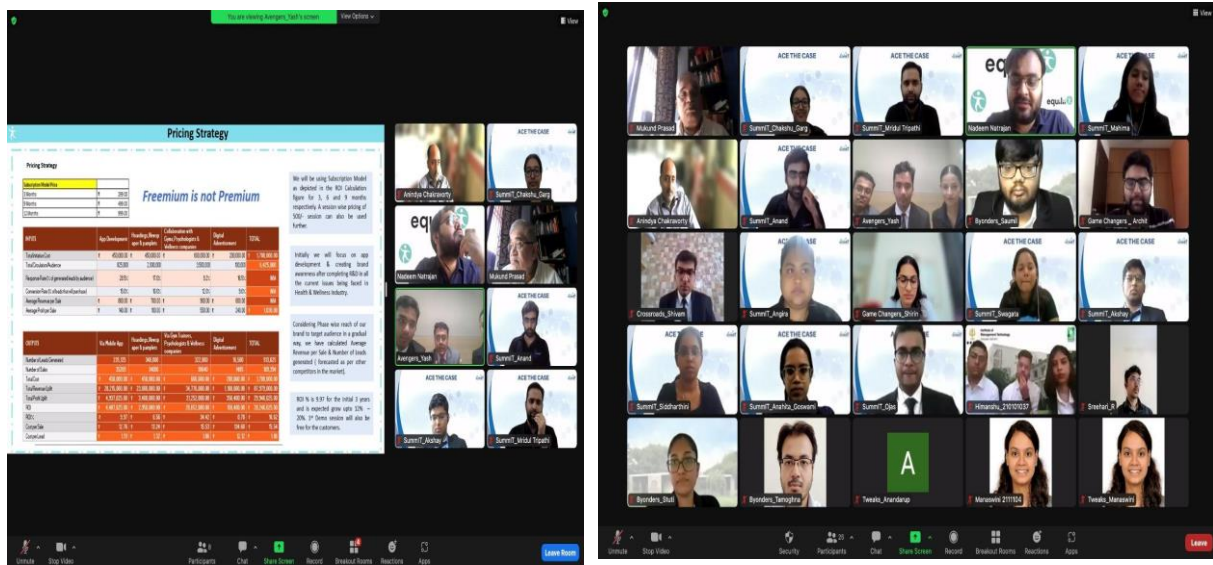

The event consisted of 3 rounds in total.

Round 1: Online quiz - The teams had to attempt an online quiz on unstop related to trivia and current trends in the tech world.

Round 2: Presentation solution for the case - The qualified teams from the previous round were given a case to solve.

Round 3: Grand Finale - Here, these teams had to present their solution for the case for 10 mins to a panel of judges followed by a 4-5 mins of Q n A.

Activity report 3

Name of Activity: Intra Moot Court Competition

Name of school: Kirit P Mehta School of Law (KPMSOL), NMIMS

Date: 13th to 15th October 2023

Venue: NMIMS, Mumbai

Enclosed Document:

1. Report of the event
2. Photographs

Objectives of the event:

- To create a simulated moot court setting to hone the researching, drafting and speaking skills of participants
- To ensure interaction with various legal professionals to gain real life exposure to the legal fraternity.
- To ensure creation of intra colligate ranks, which shall determine the participation of students in various national and international moot court competitions.

The 8th Intra Moot Court Competition, which was hosted by the Moot Court Committee of Kirit P Mehta School of Law, is an annual, co-curricular event, conducted in the Mithibai Building, wherein students from the second year till the fifth year are allowed to partake in a simulated court setting against each other. The event primarily has two stages, namely the Draw of Lots and the Oral Rounds. The Draw of Lots is conducted to create fixtures for all the participating teams in event. For the Oral Rounds, the committee invites associates from Tier 1 law firms to adjudicate the participants based on their arguing skills and their research which has gone into these arguments. The participants are also judged based on their written submissions that they submit to the judges. The approximate number of students that participate in this intra-colligate event, usually range from 250 to 300. The Faculty Convenor for this academic year was Ms Priya Kumari who was actively guiding us throughout the event. The Intra Moot Court Competition not only hones advocacy skills but also serves as a crucial selection process. Based on their performance in this competition, students are ranked and chosen to represent the School at various national and international moot court competitions. This recognition allows them to showcase their talent on a wider stage, gain valuable experience.

Activity Report 4

Name of Activity: U'Lectro 2023

Name of school: Mukesh Patel School of Technology Management and Engineering (MPSTME), NMIMS

Date: 24th March, 2023

Venue: NMIMS, Mumbai

Enclosed Document:

1. Report of the event
2. Photographs

Objectives of the event

To provide the participant with a fair chance to display their project and get the exposure to the current industrial trends and develop a sense of social responsibility through the change makers category.

U'Lectro 2023 was conducted in the MPSTME, Mumbai. The Institute of electronics and telecommunication Engineers, Student forum consisting of 150 members and 2 faculty members. The event witnessed participation from 50+ teams across the nation, which mainly included 3rd and 4th year Engineering Students. This national-level project display competition featured two categories: Technical and Change Makers, covering domains such as AI/ML/DL, Wireless and IOT, Electronics and Embedded Systems, Signals and Image Processing. With help of this event, we gave an equal opportunity to all the participants to present their project to the esteemed Jury. All participants received certificates from Amazon and had the opportunity to showcase their projects to industry experts. The winners shared a prize pool worth over Rs. 1,00,000, and were also awarded a guaranteed interview at Reliance Jio, along with official licensed Mercedes Benz merchandise.

Poster of the event

6th Annual Economic Conference
25th March 2023

Organised by
Sarla Anil Modi School of Economics, NMIMS Mumbai

in collaboration with
The Indian Econometric Society (TIES)

Theme - Macroeconomic Policy Making: Prospects and Challenges

The Annual Conference of Sarla Anil Modi School of Economics aims to bring researchers and industry experts together to exchange and share their experiences and empirical evidence on a broad spectrum of macroeconomic issues pertaining to the real and financial sectors of the economy. The conference intends to deliberate on topics such as economic growth, price stability, prospects and challenges faced at the sectoral level, labour market inflexibilities, public debt, trade, supply chain management etc.

Topics include but are not limited to the following:

1. Migration, Labour Dynamics and Unemployment.
2. Banking sector reforms and implications
3. Financial sector components such as stock markets, exchange rates and bond markets.
4. Fiscal-monetary policy coordination and debt management
5. International trade and trade imbalances.
6. Services sector growth and its implications on the economy
7. Industrial policy and manufacturing sector growth

Venue: Sarla Anil Modi School of Economics, NMIMS, Mumbai

We will also be organizing a Research Colloquium on the day of the conference for students of economics, who are in their early stages of research (UG, PG, 1st Year Ph.D.).

Abstracts not exceeding 250 words and Papers or research proposals not exceeding 10,000 words should be submitted as MS Word document via email to aec@nmims.edu
