3. **Deans/Director's Council meetings:** NMIMS started an important process of Deans/Director's Council meetings every month, which have helped us to ensure consistency and coordination across around all programs and Schools. This has helped us in strengthening the Academic Planning Process across the university and adopting the best practices.

It records weekly achievements across all Schools and captures discussion on various processes followed at the University and suggestions how to take them forward.
5. **Implementation of Four Building Blocks:** Monthly MIS, Monday Morning Chronicle and all other discussions focus on Four Building Blocks, i.e. Research, Teaching Excellence, Branding and Stakeholder Alignment.
6. **Monthly Book-Talk:** NMIMS organizes a Book-Talk every month, where one faculty and one student have a discussion with the author on the book published.
7. **Any other matter with the permission of the Chair:**

Since there was no other matter to be discussed, the meeting ended with the vote of thanks to the Chair.
