

# THE ANNUAL QUALITY ASSURANCE REPORT

Year of Report : 2009-10

## PART-A

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.

Sr.No.	Plan	Outcome
1.	To implement the decision of integration of some focused MBA programmes with MBA core programme and to offer electives as specialization in the second year of MBA programme.	The integration of focused MBA programmes with core programme has been done and the new curriculum for MBA core programme has been implemented. Electives as per area of specialization will be implemented from the second year of MBA programme, i.e. from the next academic year.
2.	Courses to be implemented at Bengaluru campus	Two courses have been started at the Bengaluru campus, viz. EPGDM (Full-Time 15 months) and Management Programme for Executives (MPE) [Part-Time 20 months]
3.	ERP system SAP to be implemented in all the functions of the University	IBM has been identified as a vendor for implementation of SAP. The meetings with the IBM team will have to be finalized in order to apprise them of the systems in place in the University so that implementation of SAP in all the functions of the University can be implemented during the academic year 2010-11.
4.	Preparations to be made for online NMAT examinations for admissions to School of Business Management to be conducted from the year 2010-11.	After discussing with various vendors, Pearson Vue Inc. has been identified for implementation of the online exams from the academic year 2010-11. Creation of infrastructure for such examinations is also in progress.
5.	Grading system in the examination across the schools to be reviewed	Grading system as well as the rules for examinations have been changed and the University has implemented the grading system across the schools. Proper documentation of the same has also been made.
6.	Students Grievance Redressal Mechanism for the examination related grievances be reviewed	Students Grievance Redressal Mechanism in exam-related matters have been reviewed and a new system of redressing such grievances including giving photo-copy of the answer sheets has been implemented. A documents has also been created for such

		mechanism. A system of dealing with unfair means cases is also updated and the document is created for the same. Wide publicity has also been given among the faculty and the students for the same.
7	New databases to be obtained for the Library	Two more databases have been added in the databases of the Library.
8	A Women's Grievance Redressal cell needs to be constituted	This committee would attend to cases, if any, all the cases / or complaints or allegations of harassment by a student or an employee or a member of the management.
9	Ph.D. in Applied Pharm. Sciences to be considered in the School of Pharmacy	Executives from Industry can register and Industry – Institute collaboration can be initiated.

## PART-B

### 1. **Activities reflecting the goals and objectives of the institution :**

Keeping in view the needs of the industry, some of the focused MBA programmes like Global Business Management, Retail Management, Services Management have been integrated with core MBA with specializations in the second year. The restructured programme uses experiential learning approach through management cases, role plays, simulation exercises, web-based exercises, interactive programmes, and live organization based programmes. A lot of emphasis is given on participants centered learning methods. In order to do this, at the beginning of every trimester, appropriate cases are selected to provide an integration module to strengthen the ability of the students to relate the case offerings to the current decision making dilemmas in the work situation.

Informal mid-term feedback system has been implemented, in which Dean of the School of Business Management, Programme Chairperson and Deputy Registrar (Academics Administration) visit each class and collect feedback from the students. The consolidated report of this mid-term feedback is shared with the faculty. This helps to take corrective measure, if any, at the mid-trimester level itself. The curriculum of B.Tech., M.Tech. & MBA (Tech.) programmes have been reviewed on the basis of workshop conducted during the last academic year.

The students were exposed to industry working either through industrial visits or through in-plant training or minor and major projects taken up with the industries/corporate houses.

Every school organized guest lectures of eminent scholars/industry experts in order to apprise students of what is the latest in academics and what are the latest trends in the industry. Research projects in collaboration with the industry were taken up by some schools, which not only generated internal resources but also gave exposure to the faculty and the students.

The usage of black board technology has increased considerably due to extensive usage by the faculty and the students.

Almost all the schools participated in social awareness programmes which helped them in understanding the societal programmes as also inculcating in them the dignity of labour.

**2. New academic programmes initiated (UG and PG) :**

In School of Pharmacy and Technology Management (Mumbai campus), post-graduate 2-years full-time programme viz. M.Pharm. (Pharm. Biotechnology) has been introduced.

In MPSTME, B.Tech. in Mechanical Engg. and Civil Engineering have been introduced. MBA (Tech.) in Mechanical Engineering has also been introduced.

In SPTM (Shirpur campus), 2-years full-time M.Pharm. (Quality Assurance) has been introduced.

Ph. D. (Applied Pharm. Sciences) has also been introduced with Industry Collaboration.

At Bengaluru campus, the following two post-graduate programmes have been introduced :

- EPGDBM – Executive Post Graduate Diploma in Business Management (Full-Time – 15 months)
- MPE – Management Program for Executives leading to PGDBM (Part-Time – 20 months)

**3. Innovations in curricular design and transaction :**

Curriculum for MBA core has been designed in such a way that the focused programmes which existed earlier have been integrated, however, specializations are offered at the second year level with 8 subjects are to be selected from various subjects offered during the second year. Case methodology is given more weightage besides simulation projects like Capstone project.

At the Bengaluru campus, the following two mandatory courses have been introduced.

- Corporate Governance & Ethics
- Business Simulation

**4. Inter-disciplinary programmes started :**

In SBM, the following inter-disciplinary programmes have been started :

- Marketing of Hi-Tech. Products
- Advertising & PR, and its Importance in Business

At MPSTME (Shirpur campus), new programme MBA (Tech.) in Mechanical Engineering has been introduced.

**5. Examination reforms implemented :**

In the current year, the entire examination system has been revamped across the schools. A new system of GPA & CGPA has been introduced.

In SBM, the internal assessment is divided into various components and the weightage for each has been clearly defined.

New passing standards have also been introduced across the schools.

General rules for re-examinations have been framed.

Examination Grievances Redressal Procedures have been laid down.

In SDL, 30% weightage is given for internal assessment and 70% weightage is assigned to the term-end written examination.

**6. Candidates qualified : NET/SLET/GATE etc.**

As School of Business Management is the only School which has a graduating batch and almost all the students were interested in taking up the job in the industry or corporates, no student applied for NET/SLET/GATE etc.

A student of Integrated M.Sc. Ph.D. Biological Sciences programme cleared NET examination.

One of the students of SBM has been offered National Doctoral Scholarship by All India Council for Technical Education (AICTE), New Delhi.

**7. Initiative towards faculty development programme :**

Four faculty members were deputed to participate in the HBS Colloquium on Participants-centered Learning Programme at the Harvard University, Boston, USA. They had also been selected by the CPCL to receive scholarship from Goldman Sachs. Two faculty members from SBM participated in ISB Case Writing and Case Teaching Workshop organized by Indian School Business in association with Richard Ivey School of Business (University of Western, Ontario, Canada).

Besides, many faculty members were deputed for attending conferences, workshops, seminars, panel discussions organized by reputed institutions/organizations like Ernst & Young, University of Moratuwa, Sri Lanka, Centre for WTO Studies. In addition, many in-house workshops were conducted for the faculty.

**8. Total number of seminars/workshops conducted :**

44 seminars/workshops/conferences were conducted during the year which included resource persons like Smt. Aruna Jayanti from CapGemini, Shri Nitin Paranjpe, MD, Hindustan Unilever, Shri Joe Root, Noted Patent Attorney from the US.

**9. Research projects (a) Newly implemented:  
(b) Completed :**

**SBM**

<b>Sr. No.</b>	<b>Title of Project</b>	<b>Principal Investigator</b>	<b>Funding Agency</b>	<b>Cost of project</b>
1	Human Development Measure for the <i>Mumbai Human Development Report</i>	Dr. Sangita Kamdar	UNDP	Rs. 35,000/-
2	PPP consultant for the Development Plan for Nashil-Sinnar-Igatpuri Investment Region in Maharashtra and Development Plan for Dighi Port industrial Area in Maharashtra	Dr. Anupam Rastogi	AECOM International	Rs 3.75 lakhs
3	Infrastructure Finance Study	Dr. Anupam Rastogi	Asian Development Bank	USD 13,331

**Social Enterprise Cell**

<b>Sr. No.</b>	<b>Name of consulting project</b>	<b>Name of sponsoring organization</b>	<b>Total outlay (Rs)</b>
1.	Developing Training Needs Assessment of the NGOs supported by the Foundation, Developing Training Design for Organizational Development and Change	Rangoonwala Foundation	75,321/-
2.	Achieving Growth with Responsibility: Study of CSR practices amongst Organisation of Pharmaceutical Producers in India (OPPI) Member Companies	Organisation of Pharmaceutical Producers of India (OPPI)	1,63,840.05

**SPTM**

**Industry Sponsored projects:**

<b>Sr. No.</b>	<b>Title of Project</b>	<b>Investigator</b>	<b>Sponsoring Agency</b>	<b>Cost of Project (Rs.)</b>
1.	Development of taste masked formulations of Azithromycin	Dr. Bala Prabhakar	Themis Ltd.	5.22 lakhs
2.	Development and Evaluation of Immediate Release Tablets of Fixed Dose Combination of Drugs for Domestic and International Market	Dr. Ganga Srinivasan	Sanjivani Parental Ltd.	3.10 lakhs
3.	Memory enhancing activity of plant extracts in rat model	Dr. V. Addepalli Dr. Yogesh Kulkarni	Marico Research Centre, Marico, Mumbai	2.10 lakhs
4.	Collaborative International research	Dr. Praveen Shende	NMIMS	20,000

**Government sponsored:**

Sr. No.	Title of Project	Investigator	Sponsoring Agency	Cost of Project (Rs.)
1	Development of model for non-alcoholic fatty liver disease based on Ayurvedic Principle	Dr. Kala Kulkarni Dr. V. Addepalli	Central Council for Research in Ayurveda and Siddha	5 Lakhs

**SPTM****Completed**

Sr. No.	Title of Project	Investigator/Co-investigator	Sponsoring Agency	Cost of Project (Rs.)
1	One day oral dosage form for a drug (confidential)	Dr. Ganga Srinivasan & Mr. Amit Gupta	Themis Medicare Ltd, Mumbai	15 lakhs
2	Analytical method development for Methyl Anthranilate	Dr. Anil Thaker	Ambernath Organics, Mumbai	25000
3	Method development, standardization and estimation of Withanosides from Withania Somnifera	Dr. Nancy Pandita	Gufic Biosciences Ltd., Mumbai	1.69 Lakhs
4	Development of Cosmetic formulations using Eudragit polymers	Dr. Bala Prabhakar	Evonic Industries, Mumbai	1.25 Lakhs
5	Analytical method development, evaluation of impurities and method validation for Methyl anthranilate. Analysis of 5 batch for submission to Canadian regulatory authorities	Dr. Anil Thaker	Ambernath Organics, Mumbai	1.25lakhs

BSSA has taken up a project on 'Urban Typologies' – Barcelona – A Case Study.

**10. Patents generated, if any :****SPTM - MUMBAI**

Sr. No.	Name of the faculty / Research Scholar	Title	Patent No.	Date
1.	Ms. Shilpa Bhilegaonkar, Dr. R. S. Gaud	Use of Mustard Seeds in Pharmaceuticals	619/MUM/2010	09 <sup>th</sup> March, 2010
2.	Dr. Preeti Sangave	Enzymatic resolution of racemic flurbiprofen.	1518/MUM/2010	13 <sup>th</sup> May, 2010
3.	Dr. Meena Chintamaneni, Mr. Kedar P.	Herbal Formulation for Memory Enhancing Activity	1519/MUM/2010	13 <sup>th</sup> May, 2010

**SPTM-SHIRPUR**

<b>Sr. No</b>	<b>Name of Author</b>	<b>Title of the Patent</b>	<b>Patent Number of Country</b>	<b>Year</b>
1.	S. H. Majumdar	Immunomodulatory activity and modern formulations of <i>Semecarpus anacardium</i>	2032/MUM/2010	2010
2	T.A. Premchandani	A unique instrument for determination of angle of repose	2133/MUM/2010	2010
3	S. I. Rane	Long circulating pH sensitive liposomes for Paclitaxel derivative	2274/MUM/2010	2010

**11. New collaborative research programmes :****SBM**

<b>Name of the Faculty</b>	<b>Title of the project</b>	<b>Name of the client</b>
Dr. Rakesh Singh	Transaction cost paper and the scope of the firm. The case of ITCE e-champal conference	Taulose School of Economics, France
Dr. Rakesh Singh	A Journey in total Farms Solutions Mahindra Subhlabh Provider – Case study	IVEY Case Research Centre
Dr. Meena Galliara & Dr. Vidya Naik	CSR in Pharmaceutical Industry	OPPI

**SPTM**

<b>Sr. No.</b>	<b>Title of Project</b>	<b>Sponsoring Agency</b>
1	Stability & Microbiological Study of Herbal Formulation	Lupin Ltd.
2	One day oral dosage form for a drug	Themis Ltd.
3	Development of taste masked formulations of Azithromycin	Themis Ltd.
4	Development and Evaluation of Immediate Release Tablets of Fixed Dose Combination of Drugs for Domestic and International Market	Sanjivani Parental Ltd.
5	Memory enhancing activity of plant extracts in rat model	Marico Research Centre, Marico, Mumbai
6	Method development, standardization and estimation of withanosides from withania somnifera	Gufic Biosciences Ltd.

### SOS

**The Bombay Natural History Society (BNHS):** Two students are working on projects with the BNHS at Pinjore, Haryana. These studies relate to the study of microbiota in vultures and endangered species. Further, the genomic studies in the captive vulture population are also being investigated.

**Azyme Biosciences, Bangalore:** A project related to the isolation and identification of heavy metal tolerant bacteria from e-waste (registered landfill dumping site for electronic waste) around Bangalore was studied.

Studies involving bio-availability and bioequivalence of drugs have been carried out in collaboration with Industries like, Hindustan Lever Ltd, Excel Industries Ltd, Unichem Lab's Ltd, Swati Chem. Corp, Zandu Pharm. Works Ltd, Johnson & Johnson Ltd, Hindustan Ciba-Geigy Ltd, Lupin Lab's Ltd, Kopran Ltd, Gufic Pharma, IPCA Lab's Ltd, Cipla Ltd, Ajanta Pharma Ltd, Themis Chem Ltd.

## 12. Research grants received from various agencies :

### SBM

Faculty Name	Name of consulting project	Name of sponsoring organization	Total outlay (Rs)
Dr. Sangita Kamdar	Bid evaluation for the procurement of 1600 MW of power through the development of the Dhopave Power Project under CBG Case-II, 2009	The MSEDCL (Maharashtra State Electricity Distribution Company Limited)	No payment
Dr. Meena Galliara	Developing Training Needs Assessment of the NGOs supported by the Foundation, Developing Training Design for Organizational Development and Change	Rangoonwala Foundation	75,321/-

### SPTM

Faculty Name	Title of Project	Sponsoring Agency	Cost of Project (In Rs.)
Dr. Anil Thaker	Design, synthesis and pharmacological screening of some pyrimidine derivatives for anticancer activity	Indian Council for Medical Research, New Delhi	2,82,198

**13. Details of research scholars :**

<b>Sr. No.</b>	<b>Name of the Scholar</b>	<b>Title of Thesis</b>	<b>Name of the Chief Supervisor</b>	<b>Name of the member / Co-guide</b>
1.	Ms. Rakhi Thakur	Factor Affecting Consumer Acceptance of Mobile Banking : An Empirical Study	Dr. Mala Srivastava	Dr. Gita Kumta
2.	Mr. Rajendra M. Ganatra	Determinants of Capital Structure in Project Financing in India with specific reference to Coal based Power Projects	Dr. Anupam Rastogi	Mr. AKT Chari
3.	Mr. Milind Digraskar	Impact of Innovation in Electricity Tariff on Demand, Supply Management & Quality of Supply in India	Dr. T. T. Kachwala	Prof. Chandan Dasgupta and Shri Asoke Basak
4.	Mr. Prashant Pingale	Micro Particulate Delivery System for Anti-tubercular Drugs	Dr. Ravindra R. P.	
5.	Mr. Amit B. Page	Angiogenesis and its modification in developing therapeutic agents	Dr. Kala Kulkarni	
6.	Ms. Monika Srivastav	Development and Evaluation of Extended Release dosage forms Anti-diabetic Drugs	Dr. Bala Prabhakar	
7.	Mr. Laxman Sawant	Isolation, Characterization, Standardization and Method Validation from Antidiabetic Plants	Dr. Nancy Pandita Dr. Bala Prabhakar	
8.	Mr. Sutirtho Mukhopadhyay	Development of stability indicating methods for novel controlled – release cardiovascular products	Dr. Nancy Pandita	
9.	Mr. Yusuf Kachwala	Screening isolation and Characterization of hypoglycemic plants for their antioxidant activity	Dr. Preeti Sangave Dr. Nancy Pandita	
10.	Mr. Atul V. Patil	Controlled Drug Delivery for Cardiovascular Drugs	Dr. Ganga Srinivasan	
11.	Ms. Payal Dande	Phytochemical Investigation of Sesbania Sesban	Dr. G. S. Chakraborty Dr. C. Bonde Dr. Nancy Pandita	

12.	Mr. Ravi Tiwari	Development and validation of a stability – Indicating RP-HPCL Method for the Estimation of few Anti-infective Drugs in Bulk and in Marketed Formulation	Dr. K. G. Bothara	
		Development and validation of a stability – Indicating RP-HPCL Method for the Estimation of few Drugs in Bulk and in Marketed Formulation	Dr. C. Bonde	
13.	Mr. Dushant Gaurshettiwar	Formulation studies of Extended Release Matrix Tablet of some Antiviral Drugs	Dr. Vaishali Londhe	
14.	Adsul Alpana Prashant	Studies for radio recording for UWB	Dr.S.K. Bodhe	
15.	Amarsinh Vasantrao Vidhate Sushila	Cross Layer Design for Wireless MANET to achieve QoS	Dr. S.R. Devane	
16.	Balaji Gundappa Hogade Sushiladevi	Smart Antena for Wide Band Wireless Networks	Dr.S.K. Bodhe	
17.	Dhirendra Sheshmani Mishra Maina Devi	Content based Image Retrieval using Image Hashing	Dr. H.B. Kekre	
18.	Jitendrakumar Namdeo Shinde Godavari	Studies on Adaptive Multistandard Receiver for Wireless Y/w	Dr.S.K. Bodhe	
19.	Kavita Vinay Sonawane Suman	Computer related	Dr. H.B. Kekre	
20.	Omprakash Sugdeo Rajankar Lila	Contex aware Adaptive Image Compression for Window N/w.	Dr. V.D. Kolekar	
21.	Pravin Mahadeorao Shrinath Indira	Image segmentation on Medical Images	Dr. H.B. Kekre	
22.	Prerana Narendra Jain Vimladevi	Optical MOSFET Characterization	Dr. B.K. Mishra	
23.	Rajesh Yashvant Patil Sudha	Analytical & Thermal modelling of orthogonal metal cutting process	Dr. V. Kalamkar / Dr. Hari Vasudevan	
24.	Rashmi Na Kumar Na	e-Waste, Recovery of Metals	Dr. K.K. Tiwari / Dr. D.J. Shah	
25.	Ravindra Chandu Patil Saraswati	Content based image retrieval using	Dr. N.S.T. Sai	
26.	Sanjay Bappuso Patil Putalabai	Image processing algorithm for precision farming in India.	Dr.S.K. Bodhe	

27.	Swapna Sanjay Borde	Content based Image Retrieval	Dr. Udhav Bhosale	
28.	Seema Anand Ladhe Pushpa	Next Generation Network & Quality of Service	Dr. S.R. Devane	
29.	Ms. Mansi Mukesh Patel	Development of molecular tools to study Microbiota Composition	Dr. A.M. Bhagwat	
30.	Ms. Rupali Sengupta	Evaluation of Plant Extracts for Anti-Diabetic Properties	Dr. A.M. Bhagwat	
31.	Ms. Ratnaraje Krishna Thar	To study anemia's in preschool and school children in Mumbai : vis-à-vis Nutritional Intervention Programme	Dr. A.M. Bhagwat	
32.	Ms. Payal Bhaskar Joshi	Development of Validated Stability – indicating HPLC method of certain Drugs with identification of impurities using LC-MS	Dr. (Mrs.) Suvarna I. Bhoir	
33.	Ms. Nirmala Lawrence	Approaches to synthesis and further elaboration of substituted Biological Sciences Bisurea's to Pharmacologically potent molecules	Dr. V. Bala-subramaniyan	
34.	Ms. Dipti Raghunath Lakhe	Synthesis and structural, characterization of some Schiff base metal complexes	Dr. Kiran Mangaonkar	
35.	Vijay Gupta	In vivo studies of the Angiogenic Potential of different Plant Extracts	Dr. Angadi Subhashchandra	
36.	Mr. Sateesh B.	Comparative Study of Safety and Efficacy on Some Antidiabetic Ayurvedic Formulations	Dr. V. Addepalli	
37.	Mrs. Smita Rane	Formulation and Evaluation of pH-sensitive, Long Circulating Liposomes for Anticancer Drug Delivery	Prof. Bala Prabhakar	
38.	Mr. Saurabh Kumar	Phytochemical Investigation on 'Bridelia Retusa Spreng' for anti-inflammatory & anti-microbial studies	Dr. C. G. Bonde	
39.	Mr. S. H. Majumdar	Formulation studies of "Semecarpus anacardium" as an immune modulator	Prof. Kala Kulkarni	
40.	Mr. Gurmeet Singh Chhabra	Phytochemical Investigation of "Vitex agnus-castus" for anti-inflammatory & antioxidant activities	Prof. Kala Kulkarni	

41.	Mr. Ashok kumar Peepliwal	Analytical studies of Impurities and Bioanalysis of some Pharmaceuticals Ingredients	Dr. C. Bonde	
42.	Mr. Prashant Pingale	Micro Particulate Delivery System for Anti-tubercular Drugs	Dr. Ravindra R. P.	
43.	Mr. Amit B. Page	Angiogenesis and its modification in developing therapeutic agents	Dr. Kala Kulkarni	
44.	Ms. Payal Dande	Phytochemical Investigation of Sesbania Sesban	Dr. C. Bonde & Dr. Nancy Pandita	
45.	Mr. Ravi Tiwari	Development and validation of a stability – Indicating RP-HPCL Method for the Estimation of few Drugs in Bulk and in Marketed Formulation	Dr. C. Bonde	

#### 15. Honors / Awards to the faculty :

##### SBM

- Bombay Management Association conferred “BMA Outstanding Management Teacher of the Year Award (2008-2009)” to Dr. T. T. Kachwala at presentation ceremony held on 29<sup>th</sup> May, 2009.
- Dewang Mehta Business School Award
- Dr. Rajan Saxena : Award for Outstanding Contribution to Education
- Dr. Pradeep Kumar : Award for Best Teacher in Information Technology
- Mrs. Veena Vohra: Award for Best Teacher in Human Resource Management
- Dr. Chandan Dasgupta: Award for Best Teacher in Financial Management
- Prof. T A Kachwala: Award for Best Teacher in Operations Management
- Prof. Seema Mahajan: Award for Best Teacher in Marketing Management
- Dr. Meena Galliara: Award for Best Teacher in Social Entrepreneurship
- Mr. Anurag Kalita (Student MBA-Core 2<sup>nd</sup> Yr) – Best Student in Management Award
- Dr. M. N. Welling received the “*Commerce and Management Education Acumen Award*” on April 24, 2009, for outstanding contribution to Commerce and Management Education in Maharashtra
- The prestigious Inspirational Leader Award was conferred on Vice Chancellor Dr. Rajan Saxena at the Dainik Bhaskar B-School Leadership Awards ceremony held on 12<sup>th</sup> February 2010.
- Dr. Nilay Yajnik, Area Chairperson, Information Systems, School of Business Management, won the Second Best Paper Award for his paper “The Role of Video Based Education for Developing Nations” at the 40<sup>th</sup> Annual Convention of the Indian Society for Training and Development (ISTD), held in Bangalore from February 11-13, 2010. More than 2000 trainers from India and abroad attended the Convention. Dr. Yajnik’s paper was selected for presentation and publication after a referred process

### **SPTM**

- Ms. Ginpreet Kaur has been awarded Dr. R.D. Kulkarni Prize for securing second position for scientific paper entitled " $\alpha$ -Glucosidase inhibitory activity of curcumin and curcumin in combination with piperine and quercetin" at, 4<sup>th</sup> International Conference of Innovations in Translating Technologies through Clinical Pharmacology, Mumbai, 2010.
- Mr. Lokesh Kumar Bhatt and Dr. A. Veeranjanyulu were awarded ASPET Travel Grant at ASPET annual meeting in Experimental Biology for the Research paper titled "Potentiation of aspirin induced cardioprotection by minocycline against myocardial ischemia reperfusion injury in streptozotocin diabetic rat", April 23<sup>rd</sup> -28<sup>th</sup>, 2010 Anaheim, CA, USA. This award has been funded from the I.C. Winter Fund.
- Charak Award for the paper entitled '3H- Hyperlipidemia, Hypertension and Heart: Ayurveda as an Adjuvant' by Gaurav pathak and Veeranjanyulu Addepalli presented at International Conference on Integrated Holistic Healing, Integrated Healing Forum, Nagpur 10<sup>th</sup> January, 2010.
- Dr. Pravin Shende, Assistant Professor, SPTM has been selected for post doctoral research in University of Turin, Italy with fellowship of 1270 Euro / month, 2009-2010.
- Mr. Yusuf Kachwala has won the Young Achiever Award in recognition of outstanding performance commitment and accomplishment in pharmacy profession by Allana College of Pharmacy. He has also received travel support from Departmental of Biotechnology to present research paper on "Isolation of phytoconstituent from anthemis cotula" at 6th Conference on Aromatic and Medicinal Plants of Southeast European Countries (6th CMAPSEEC) at Antalya, Turkey from 18<sup>th</sup> – 22<sup>nd</sup> April 2010.
- Dr. R. S. Gaud was awarded "MPA Award", Best Services in Pharmacy Profession by Maharashtra Pharmacist Association, Mumbai, 8<sup>th</sup> Feb, 2010.
- Dr. R. S. Gaud received Shiksha Rattan Puraskar, Int Friendship Society, New Delhi, Nov. 2009
- Dr. Bala Prabhakar received "Distinguished alumni award" of the year by SNDT Women's University, Mumbai, 2009.
- Ms. Ginpreet Kaur bagged 'Dr. Ashok B. Vaidya Prize' for securing II position for scientific paper at Third International Annual Conference on 'Drug Discovery & Development – Challenges in Partnership', Organized by South Asian Chapter of American College of Clinical Pharmacology, Mumbai, October, 2009.
- Dr. R. S. Gaud received "Best Citizen of India Award" Longman Press, New Delhi, 2009.

### **MPSTME**

- Dr. Pradeep Kumar was awarded as Best Teacher in Information Technology in the 17<sup>th</sup> Business School Affaire & Dewang Mehta B-School awards held on 5<sup>th</sup> November 2009 at Taj Land Ends.
- Mr. Sudeep Thepade was selected as the member of the international advisory board for IJCEE (International Journal of Computer and Electrical Engineering)

### SPTM-SHIRPUR

<b>Sr. No.</b>	<b>Name</b>	<b>Achievement</b>
1	Dr. Anil M. Pethe	Best Faculty Award 2009-10 SPTM NMIMS University.
2	Dr. Shivprasad H. Majumdar	Received 2nd prize in Skills Test 2009 for Pharma blog writing competition arranged by Pharmainfo.net
		3rd Prize in ISTHAMUS 2009, National Healthcare Symposium for poster presentation entitled “Business Model Shift: The Next Step Towards Escalation of Healthcare Management” School of Pharmacy & Technology Management, Mumbai 21st -22nd Feb 2009
3	Ms. Rima D.Shah	Best Teacher – Sardar Patel College of Pharmacy for Women (SPCPW), AY 2009-10

### ASMSOC

<b>Sr. No.</b>	<b>Faculty</b>	<b>Awards &amp; Recognitions</b>
1	Prof. Sanjoy Sircar, Dean, ASMSOC	“Best Teacher in Financial Management” award given at the 18 <sup>th</sup> Business School Affaire and Dewang Mehta Business School Awards.
2	Prof. Swati Pawar	Prof. Swati Pawar has been offered National Doctoral Fellowship by All India Councilor for Technical Education (AICTE) in March 2010.

### IIPS

- Mrs. Maheshwari has been nominated as western region head by Shailesh Mehta School of Management IIT Powai for research in IPR Researchers Confluence Indian Series 2009-10.

#### **16. Internal resources generated :**

**(Amount in Rs. lakhs)**

1.	Fees	12,041.17
2.	Management Development Programmes	13.72
3.	Executive Programmes	148.70
4.	Consultancy	18.96
5.	Research	110.84
5.	Others	148.50
	<b>Total</b>	<b>12,481.89</b>

17. **Details of departments getting SAP, COSIST(ASSIST)/DST.FIST, etc. assistance/recognition :**  
The University being Deemed University is not eligible for SAP, COSIST (ASSIST), etc.

18. **Community services :**

**SBM**

**Social Responsibility Forum (SRF)**

The Social Enterprise Cell (SEC) with the support of students volunteers from the Social Responsibility Forum (SRF) undertook several short term projects (event – based) and volunteering assignments as mentioned below:

**Students in Free Enterprise (SIFE)**

A team of 30 SBM students have been actively involved with SIFE –an international organization, promoting business opportunities and development of underprivileged communities. The students have initiated a project by forming an SHG named Suhasinin Group, at Bhandup. The business involves preparing of snacks (Chakli, Masala Sev, Sada Sev, Shakkar Pare, Chivda) by SHG members and selling them to local (kirana) shops, retails stores and other outlets.

**HSBC Financial Literacy Project**

This project, in partnership with Prasad Chikitsa, Thane, aims at imparting financial knowledge to various SHGs at Vrajeshvari, Thane. The project focuses on providing financial literacy in a structured framework to women of SHGs in the Thane region. Emphasis has been laid on imparting education pertaining to savings, borrowings, investments, insurance and other related areas. Fortnightly visits are conducted to Vrajeshvari, where all the teams teach the allocated modules to one SHG.

**Mumbai Disaster Early-Warning System - A Harvard Humanitarian Initiative (Disaster Preparedness for Mumbai Monsoon)**

The SBM & MPSTME SRF students, in partnership with Harvard Humanitarian Initiative, have undertaken a project which provides an automated way to manage disaster warnings and issue alerts to citizens of Mumbai as an early warning against floods. Users can register to the web interface or enquire through simple SMS, to get alerts of any floods reported in their vicinity. Users can register to multiple zones, such as Vile Parle (W), Juhu and Colaba. They can also receive current status reports by simply messaging an appropriate query to the helpline.

The project utilizes the popular Ushahidi online interface for disaster reporting. Ushahidi provides a wide range of useful features: one can track the incidents on a map, submit reports, comment on incidents to provide live updates, and see a timeline of all reported events.

Harvard Humanitarian Initiative is currently in talks with Municipal Corporation of Greater Mumbai (MCGM) to establish a channel of communication for quick relay of reports.

### **Blood Donation Drive (BDD)**

The Social Responsibility Forum (SRF) of the School of Business Management (SBM) and Mukesh Patel School of Technology Management and Engineering (MPSTME) organized the Annual Blood Donation Drives on October 28, 2009 and December 1, 2010 respectively, with the active support of Lion's Club of Juhu and the Rotaract Club. Blood Banks from (a) Hinduja Hospital; (b) Jaslok Hospital; (c) Nanavati Hospital and (d) the BSES Blood Bank were invited for the drive. A total of 582 donors registered for blood donation and 472 Units of blood was collected. The unique feature of this year's BDD was the provision of publicity and dissemination of information on Thalassaemia, a relatively lesser known blood related disorder. Lion's Club, in coordination with the Think Foundation, arranged for free check up for Thalassaemia for all the prospective donors.

### **Creative Art Workshop**

In this era of Laptops, Play stations and Flat TVs, traditional sources of entertainment like puppet show and jugglery, as well as creative arts like pottery and bangle making, have been relegated to the background. The SRF of NMIMS contributed its mite to popularizing these arts during Paragana on 12th and 13th November 2009. For a nominal charge of Rs.20, students were initiated into the pleasures of crafting beautiful artifacts. Seven artists were invited to teach the art at Paragana'09. These included Pottery, Bangle making, Portrait making, Mehendi, Juggling, Magic show and Puppet show. In all 225 students attended this event and an amount of Rs.4880 was notched up over a period of two days.

### **SPTM**

#### **• Anti-TB campaign**

Anti-TB campaigns were organized by the students of SPTM based on the guidelines provided by the IPA-SF in three different locations :

1. Barbhaya Orphanage for Hindu Girls, Vile Parle
2. Nazareth Baptista Compound, Vile Parle
3. South Pond, Near Jain Mandir, Vile Parle

The team members performed a skit on tuberculosis awareness for the residents of the orphanage and distributed chocolates. Team members interacted with the girls of the orphanage and gave them information regarding tuberculosis in a friendly manner.

The team members then collected sputum samples from about 39 people who wanted to get themselves checked for Tuberculosis. The analysis will be done free of cost by a doctor in the vicinity.

#### **• Anti diabetes and healthy living campaign :**

Two 'Anti diabetes and healthy living campaigns' were organized by the students of School of Pharmacy & Technology Management and members of Indian Pharmaceutical Association's Students' Forum (IPA-SF) in association with the Leo Club of Juhu.

#### **• A blood donation camp :**

A blood donation camp was held in the college premises in association with Cooper Hospital, Vile Parle (West).

20. **Teaching – Non-teaching staff ratio :**  
Teaching - Non-teaching staff ratio for the University is 4:5

21. **Improvements in the library services :**

**SBM**

- Started issuing spike guards for the use of multiple laptops to students in library
- Subscribed new database CEIC and Gartner

**SPTM**

- Library is automated (acquisition of books and periodicals, circulation) with IIMS (Integrated Institution Management Software)

**MPSTME**

<b>Sr. No.</b>	<b>Name of Services</b>	<b>Remarks</b>
1	IEL Online	Online database used by Faculty, Students for their Reference Reading, Project Report
2	Gartner	Online database used by Faculty, Students for their Reference Reading, Project Report

**22. New books / journals subscribed and their cost :**

**Expenditure on Books and Periodicals**

<b>Year</b>	<b>Amt. in Rs.</b>
<b>Books &amp; Reading Material</b>	59,18,442
<b>Text Books</b>	1,16,38,975
<b>Periodicals</b>	1,23,36,630
<b>Total</b>	<b>2,98,94,047</b>

**23. Courses in which student assessment of teachers is introduced and the action taken on student feedback :**

It has been a regular practice to carry out assessment of teachers by the students for each of the trimesters for each of the courses in every school. The students' feedback is shared with the respective faculty. In case it is observed from the feedback that for a particular teacher there is room for improvement in terms of certain parameters of the feedback, the Dean of the School counsels the faculty member individually.

In case of School of Distance Learning, students' feedback is collected at the end of Personal Contact Programmes. Based on this feedback, the Head of the School counsels the faculty where there is possibility of improvement in delivery.

Informal mid-term feedback system has been implemented, in which Dean of the School of Business Management, Programme Chairperson and Deputy Registrar (Academics Administration) visit each class and collect feedback from the students. The consolidated report of this mid-term feedback is shared with the faculty. This helps to take corrective measure if any, at the mid-trimester level itself.

**24. Unit cost of education :**

Rs. 1,29,191

**25. Computerization of administration and the process of admissions and examination results, issue of certificates :**

The registration for the entrance exam for various courses of the University is available online. The entire admission process is computerized. All the examinations processes have been computerized. The entire administration is computerized and all the faculty and the staff are connected through intranet. Net surfing facility is also available to the faculty. All the campuses of the University are WiFi enabled. Black Board Technology is efficiently used by the faculty and the students.

**26. Increase in the infrastructural facilities :**

- The equipment facilities possessed by the institute include Softwares such as SPSS & SAS.
- SPTM has taken possession of pilot plant.

- Additional 10,000 sq.ft. area with all state-of-the-art infrastructural facilities was operational in MPSTME.
- At Shirpur campus, new infrastructural facilities added are: Animal House (Dept. of Pharmacology), Pilot Plant (Dept. of Pharmaceutics and Quality Assurance) and ATM facility to the students and staff who are the account holder of Shirpur Peoples Co-Operative Bank Ltd., Shirpur

**27. Technology upgradation :**

In SBM-Bangalore, a CCTV system to monitor movements within the building is installed. License from SAS India for conduct of Business Analytics course has been obtained.

**28. Computer and internet access and training to teachers and students :**

All campuses are WiFi enabled and all the teachers as well as students are using their laptops for internet access. Library with e-journals is available to the students. At Shirpur campus, all the computers are provided with internet connectivity of Reliance lease line of 10 mbps.

In SBM-Bangalore, faculty have been trained to use Simulation software & teach students Marketing & Business Strategy, Finance through Simulation, relevant software is purchased for every batch. Appropriate AV materials from Youtube, TED.com, Harvard videos are used for teaching.

**29. Financial aid to students :**

University has tie-up with Dena Bank. The University helps the students to get education loan facilities from the Bank. The deserving students, on application, are considered for fee concession on case-to-case basis.

**30. Support from the Alumni Association and its Activities :**

**SBM**

The NMIMS Alumni Cell continued to reach out to the Alumni through various innovative approaches. This year an NMIMS Alumni Group was created on LinkedIn, the popular professional social networking site. More than 800 Alumni are already members of this group. In addition, nearly 1500 Alumni are on a yahoo group created for the NMIMS Alumni. The Alumni Cell engaged the Alumni in various activities of NMIMS and they respond with full enthusiasm. Alumni continued to deliver guest lectures, participated in placement activities and gave ongoing inputs on curriculum. This year the alumni participated in mentoring students as well. Senior Alumni acted as mentors and provided valuable career planning advice to the current students.

**SPTM**

- A research scholar and faculty SPTM has been an important part of the SPTM industry institute interaction cell and has helped to place students for training & placements, organizing guest lectures and industrial visits, procuring consultancy

and research projects, free gift samples and general liaisoning with the industry for all activities of the School.

- An M.Pharm student has helped the School with free API samples from Rubicon for conducting practicals.

**31. Support from the Parent-Teacher Association and its Activities :**

Though there is no formal Parent-Teacher Association, informal feedback is collected from the parents for SPTM, MPSTME, SOC, School of Architecture

**32. Health services :**

- The University has appointed a Doctor who is available on the campus on alternate days between 2 p.m. and 3 p.m.
- All the employees whether regular or on contract are provided with the Medclaim Insurance Policy which covers the expenditure upto Rs. 1 lakh per annum for the self and the spouse.
- All the regular employees are given the benefit of annual reimbursement of medical expenses as follows :
 

Group A	:	Rs.6,000 p.a.
Group B, C & D	:	Rs.4,500 p.a.
- For Shirpur campus, a physician from Indira Gandhi Memorial Hospital is made available every day for checkup of the students on the campus. In case of emergencies, there is a separate vehicle available round the clock which takes the students to the hospital if required.

**33. Performance in sports activities :**

Annual sports meets were organized by the schools in order to encourage the sports persons. One of the students of School of Commerce won the second prize in athletics at the State Level Athletic Meet.

**34. Incentives to outstanding sportspersons :**

Attendance exemptions are granted to the students as well as reimbursements given to students for representing the schools at such events.

**35. Student achievements and awards :**

**SBM**

### 36. Activities of the Guidance and Counselling Cell :

#### SBM

- Students have been assigned faculty mentors whose role is to help assimilate the NMIMS culture, facilitate intelligent choice making regarding Electives, help in identification of resources needed by all students. They meet their faculty mentor regularly as per their convenience and availability.
- Students also meet the counsellor for Personal Counselling which is a very important at every step in life especially when they cannot cope with personally disturbing situations, which create more negative thoughts, sleepless nights and further tensions and anxiety which again interrupts their studies and work.

#### SPTM

- Mentors were allotted to every student and the responsibilities of a mentor were defined.
- Encourage brainstorming discussions.

#### ASMSOC

- Slow Learners are provided tutorials and individual counseling by core faculty members in their respective areas.

#### BSSA

- Each faculty serves as guardian of a particular class. A university counselor is appointed for non-academic and psychological counseling to all students.

### 37. Placement services provided to students :

#### SBM

The scene was buoyant at NMIMS this placement season with many of our loyal recruiters revisiting the campus for recruitment and thereby strengthening their belief in the quality of students and the relationship with the B school. There was cautious optimism among the students as the improvements were observed in varied sectors of

Indian as well as global economy. Unlike other B schools who had the task of placing smaller numbers, NMIMS had the challenge to place 462 students of eight MBA programs. The largest contingent of 250 was from the MBA Core while the Focus MBA programs had around 30 students each ( Actuarial Sciences, Banking, Capital Markets, Global Business, Retail Management & Services Management). Many of them which couldn't participate due to executive mandates on headcount last year had returned to campus to pick in good numbers this time. There was also a marked improvement in terms of job profiles and packages offered this year. The return of IT majors and BFSI sector for hiring had improved the options for students in terms of roles and profiles. Around 50% of the batch comprised of lateral students who could leverage on their work experience. The trend of providing roles in different domains continued at NMIMS. While most of the roles revolved around specializations i.e. marketing, finance, operations and HR, efforts were made to scout for profiles in the niche areas of Banking, Capital Markets, Actuarial, Retail, Global and Services domains to meet the aspirations of students belonging to the Focus MBA programs. Recruiters were satisfied with the student profiles during the selection process.

### **SPTM**

<b>Year (Y)</b>	<b>No. of Companies</b>	<b>Number of students selected</b>	<b>Average Salary</b>	<b>Highest salary offered</b>
M.Pharm (Pharmaceutics)	7	40	Rs. 2.3 Lakhs	Rs. 3.5 Lakhs
M.Pharm (QA)	8	40	Rs. 1.8 Lakhs	Rs. 2.3 Lakhs
M.Pharm (Pharm Chem)	6	39	Rs. 1.80 Lakhs	Rs. 2 Lakhs
M.Pharm (Pharmacology)	10	38	Rs. 3 Lakhs	Rs. 3.5 Lakhs

M.Sc Applied Pharm Microbiology	4	9	Rs. 1.2 Lakhs	Rs. 1.4 Lakhs

### **38. Development programmes for non-teaching staff :**

Advanced training in excel was organized for the staff of SBM. One of the non-teaching staff from SBM, Bengaluru Campus, was sent for Leadership Seminar.

### **39. Best practices of the institution :**

- Informal mid-term feedback system has been implemented, in which Dean of the School of Business Management, Programme Chairperson and Deputy Registrar (Academics Administration) visit each class and collect feedback from the students. The consolidated report of this mid-term feedback is shared with the faculty. This helps to take corrective measure if any, at the mid-trimester level itself.

- School of Business Management restructuring of the MBA Programme comprising MBA Core and Focused Programmes, Part Time MBA, Executive MBA, Diploma Programmes etc. has been initiated. The restructuring of MBA Core Programme along with other focused programme like MBA Retail Management, MBA Services Management, MBA Global Management, MBA Banking, MBA Actuarial Sciences and MBA Capital Markets was due to common courses in most of these programmes in the first year and decided to offer the specialization only as electives in 2<sup>nd</sup> year commencing from the Academic year 2010-11. Integration of six focused programmes with MBA Core Programme will reduce dependence on the Visiting Faculty.
- Members of faculty from SBM were nominated by the University to participate in the HBS Colloquium on Participant-Centred Learning Program (CPCL) at the Harvard University, Boston, USA.
- A book grant of Rs. 5000 per academic year is provided to the faculty to procure textbooks of their interest.
- Faculty are given facilities like financial support towards accommodation, air fare, registration fee and duty leave to attend conferences, seminars and workshops at national and international level for participation as well as presentation of their research work.
- Senior executives from the industry are provided with an opportunity to pursue Ph.D./ Doctoral program under Industry sponsored Ph. D. program where industry enters into a MOU to sponsor a candidate for Ph. D.
- Senior executives from the industry are provided with an opportunity to pursue M. Pharm. part time program to upgrade their education where theory classes are conducted three times a week and practicals are conducted on Saturday and Sunday.
- The school has entered into a MOU with University of Torino, Italy which is center of excellence for student exchange, faculty exchange and collaborative research.
- Various research projects are undertaken in coordination with pharmaceutical industries, research organizations and hospitals.
- Multidisciplinary approach by way of major and minor projects is introduced for carrying out research project/dissertation in M. Pharm. II year.
- Industrial training for the duration of one trimester is introduced for B. Pharm. Program at the third year level.
- Black Board technology is widely used for dissemination of information by way of presentations, lectures etc.
- The campus is made Wi-Fi enabled to facilitate access to internet at all times.
- Effective and transparent Student Grievance Redressal Mechanism is made available.
- Patent search cell is established.
- Students are encouraged and supported to participate in social responsibility activities to mould them into socially sensitive and responsible human beings. SPTM students have formed a group called Kshmata to conduct such activities like anti TB anti HIV activities to increase awareness in the society.
- The institute has subscribed to online digital libraries for providing the students and faculty access to the latest literature.
- The School has earmarked funds for research and faculty development.
- **Exposure to business ethics / Value based management education**

The School is committed to inculcating a sense of values and business ethics among its graduates and has made Business Ethics – its study, implications and practical issues an integral part of the curriculum for the first year students to expose them to the pertinent issues at the earliest possible phase in their academic life at the School.

- Soft skills workshop
- **Faculty enrichment programmes**  
The School has a policy of active encouragement of all its core faculty members to participate in faculty development programmes depending upon their area of interest. The School has a generous policy of funding faculty development at seminars and conferences on higher education, accounting and finance, entrepreneurship, International Financial Reporting Standards, Research Methodology.
- Use of Blackboard – World’s Foremost Learning Management System

**40. Linkages developed with National / International, academic / research bodies :  
SBM**

1. **Case Western University – Weather School of Management**  
NMIMS – School of Business Management has signed an MoU with the Case Western University – Weatherhead School of Management establish, maintain and enhance academic relationships. To promote interaction between the two schools, a delegation from the Weatherhead School of Management visited NMIMS.
2. **Visit by Delegation from Linden International Recruitment (USA)**  
The Linden International Recruitment Tour organized a visit to Mumbai. Representatives of the Universities on this tour met Mentor, SPTM and members of the NMIMS faculty. Some of the participating Universities are interested in Transfer of Bachelor students and Graduate candidates. The Universities that visited NMIMS included:
  - a) HULT School Business – Ms. Eleonora Nancheva , Director of Recruiting – Middle East & Africa
  - b) Metropolitan College of New York – Ms. Patricia Ramos, Asst. Director Recruitment & Admissions
  - c) Long Island University – Mr. Edward J Dettling, Director of Graduate Admissions
  - d) Miami University Ohio- Ms. Ann Rahmat, Asst. Director of Admissions & International Recruitment
  - e) University of Buffalo – Mr. Steven L Shaw, Director, International Admissions.
  - f) State University of New York Oswego – Mr. Ryan Lemon, Program Specialist from Asia – Pacific.
3. **Signing of Letters of Intent:**
  1. Rotterdam School of Management from Netherlands – Exchange Program for Undergraduate Students with School of Commerce
  2. Hogeschool Utrecht University of Applied Sciences from Netherlands – Exchange Program for Undergraduate Students with School of Commerce

### **SPTM**

Prof. Richard Cook from Kingston University visited School of Pharmacy & Technology Management, Mumbai to establish collaboration between Kingston University & SVKM's NMIMS University.

A teleconference was held between Dr. John Brown of Kingston University and Dean (Pharm. Sciences) of SPTM to discuss issues related to initiation of International collaborative integrated MSc. – Ph.D programme.

Ms. Joan Reilly, International Director, Queen's University Belfast visited SPTM, SVKM's NMIMS, Mumbai and interacted with Dean, SPTM.

Queen's University ranks among the best Universities in UK and Ireland and is a member of the prestigious Russel Group of the UK's top 20 research intensive universities. It's Pharmacy department is ranked as the fifth best in UK in the recent Research Assessment Exercise (2008).

The PG courses run by the School include Advanced Pharmacy Practice, Clinical Pharmacy, Community Pharmacy and Prescribing for Pharmacists and they plan to start one for Drug Discovery and Research.

The various area in which the University is looking for collaboration with SVKM's NMIMS are as follows:

1. Collaborative Research
2. MoU for student exchange programs

Dr. Royston Drucker, Chief Executive Officer, INFINITUS from UK visited SPTM and had an interaction with the Dean and faculty to explore the possibilities of collaboration in clinical research, faculty & student exchange programme with University of Oxford and University of New Castle, UK.

### **MPSTME**

Industry tie-ups with leading technology organizations like EMCC, IBM, Cisco, etc to give the students a leading edge on technology have been established.

### **SOS**

- Two of our students are working on projects with the BNHS at Pinjore, Haryana. These studies relate to the study of micro biota in vultures and endangered species. Further, the genomic studies in the captive vulture population are also being investigated. They are also paid a stipend form BNHS, Pinjore.
- Studies involving bio-availability and bioequivalence of drugs have been carried out in collaboration with Industries like, Hindustan Lever Ltd, Excel Industries Ltd, Unichem Lab's Ltd, Swati Chem. Corp, Zandu Pharm. Works Ltd, Johnson & Johnson Ltd, Hindustan Ciba-Geigy Ltd, Lupin Lab's Ltd, Koprana Ltd, Gufic Pharma, IPCA Lab's Ltd, Cipla Ltd, Ajanta Pharma Ltd, Themis Chem Ltd.
- One of our Students is utilizing facilities of IPCA Ltd, and TDM laboratory, Mumbai for work related to use of LC/GC Chromatography

### **ASMSOC**

- The School has signed a Letter of Intent to undertake student exchange programmes with the University of Utrecht, Netherlands and Rotterdam Business School, Netherlands.

### **BSSA**

The School has a tie up with Moratuwa University, Sri Lanka.

## **41. Any other relevant information :**

### **SBM-Bangalore**

#### **Fostering global competitiveness among students**

Case study method is one of the cornerstones of our pedagogy. We largely use cases written by professors at Harvard Business School (HBS). Most courses in our curricula have a number of such cases that cover companies across different continents. These cases cover both stories of both success and failure and illustrate how companies win or lose competitive edge. Considerable learnings are available to students from these cases and helps to widen their perspective, sharpen analytical skills and overall inculcate in them the necessary ingredients of global competitiveness.

#### **Inculcate value system**

Inculcation of right value systems is a continuing process at NMIMS. This is exemplified through Courses-e.g. Indian Values in Management.

## **PART-C**

### **Detailed plans of the institution for the next year.**

1. To explore the possibility of converting Post-Graduate Diploma in Business Management - Family Business (PGDBM-FB) to MBA (Entrepreneurship & Family Business).
2. To explore the possibility of establishing School of Economics
3. To implement online NMAT examination for School of Business Management through Pearson Vue.
4. To introduce SAP as ERP system through IBM.
5. To create recreational facilities for the students of Shirpur campus.
6. To provide additional transport facilities to the employees of Shirpur campus to travel to Shirpur, Dhule and back.
7. To provide hostel facilities to students at Bengaluru campus.
8. To introduce biometric system of attendance for the teaching and the non-teaching employees of the University.
9. Programmes to be implemented at newly acquired Hyderabad campus looking at the requirement of the Industry.
